The EDITOR of the NAVY LIST,

Admiralty,

London, S.W.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers on the Retired List, who have commuted their Retired Pay, and Officers retired with a gratuity, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers of late Royal Naval Artillery Volunteers must send annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

C. I. THOMAS.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1919A to 1921A of the King's Regulations and Admiralty Instructions of 1906 (Addenda Part II.).

The following are shown in separate lists :—

PAGE

<i>Fleet Auxiliaries, also Small Steam Vessels, Tugs, etc., employed on Harbour Service</i>	401
<i>Vessels available for Subsidiary Services, Hulks, and Vessels for sale</i>	405
<i>Harbour Service</i>	413
<i>R.N.R. Merchant Cruisers</i>	417
<i>Coast Guard Cruisers</i>	428

The Ships are arranged alphabetically. The numbering has no reference to the numbers of Ships on the List of the Royal Navy, being used only to indicate where Officers are serving.

The numbers after the names of the Ships denote the number of guns of 4 in. calibre and upwards.

The Tons represent the Displacement Tonnage.

S. denotes Single Screw.

P. " Paddle Wheel.

I.H.P. " Indicated Horse Power.

N.D. denotes Natural Draught.

F.D. " Forced Draught.

All Officers whose names are in *italics* are borne as supernumeraries or additional.
(G) against an officer's name denotes that he is borne for Gunnery duties,
(T) that he is borne for Torpedo duties,
(N) that he is borne for Navigating duties, and
(I) that he is paid as Interpreter.

In the cases where two dates are shown against the name of a Marine Officer, the date in brackets is that from which his present sea time commenced.

ALPHABETICAL LIST OF OFFICERS ON THE ACTIVE LIST, OF HONORARY OFFICERS, AND OF THE AUSTRALASIAN BRANCH OF THE ROYAL NAVAL RESERVE.

(Retired Officers of Royal Naval Reserve are shown in a separate list at page 723 of Quarterly Navy List, after Retired Officers of the Royal Navy and Royal Marines.)

NOTE.—Officers whose dates of seniority are in *italics*, are attached to the *Australasian Branch of the Royal Naval Reserve* (see page 517a).

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 112), for having left the sea service (Arts. 113 or 114), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 115). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117) or for failing to report themselves (Art. 118). Such officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

LIST OF OFFICERS ON THE ACTIVE LIST OF THE ROYAL NAVAL RESERVE ACCORDING TO SENIORITY.

NOTE.—Officers of the Military Branch marked * have completed 12 months' training in the Royal Navy, and are entitled to the Annual Training Fee of £25 a year in the cases of Commanders and Lieutenants, £20 a year in the case of Sub-Lieutenants, and £10 a year in the cases of Acting Sub-Lieutenants and of Midshipmen. Such Officers will be marked with an additional asterisk (*) in respect of each further period of 12 months' service. Officers marked § have served in the Fleet for one or more short cruises only.

Those marked † have completed and obtained a certificate in either a Gunnery or Torpedo Short Course, whilst those marked ‡ have completed and obtained a certificate in both Gunnery and Torpedo Short Courses.

Those marked || have satisfactorily completed a Short Course in Signalling. Engineer Officers marked * have completed a three months' course of Instruction at one of the Home Dockyards.

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 112), or for having left the sea service (Arts. 113 or 114), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 115). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 117), or for failing to report themselves (Art. 118). Such Officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

The names of Honorary Officers who have not held rank on the Active List are shown after the List of Officers on the Active List. Retired Officers are shown in a separate List at page 723 of Quarterly Navy List.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships,

Admiralty.

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief, at the
residence where the Officers are to be borne, and the Accountant-General when Officers are entitled
to Full-pay Leave, otherwise it is to be made out in duplicate, for their Lordships and the
Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon
arrival home, the time employed fitting out at home and dismantling after arrival not
being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a
Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified against each Officer. If an officer has
been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign
Service from date of embarkation for passage out.

Command Money to Lieutenants in Command, Senior and Gunnery Allowances, and all other
additions to Full-pay.

VII. No advance or Payment on Account is to be made by the Paymasters to an Officer while
on Full-pay leave; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-
General, by whom only the time on leave can be investigated and the amount due paid, when
the Officer's leave expires.

VIII. By Orders in Council, it is directed that the leave is only allowed at their Lordship's
discretion, on return from Foreign Service, as follows:—

For every complete six months' service abroad One week

For every month served beyond the last period of six months. One day

This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is more than five years, will be specially dealt
with by their Lordships when circumstances, in their opinion, warrant the extension of
some special indulgence to an Officer returning to England after such absence.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 773, 793.

NAVAL OFFICERS.

I.—General Rules.

After the award of retired pay, no increase of pay is to be allowed to any Officer, except as provided in the Regulations for Officers on the Retired or Retired Lists when called into Active Service in time of war or emergency (see p. 941). Only addition possible will be in the form of pension.

Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that retirement may be suspended in the case of an individual Officer to whose rank this clause applies, but extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions of voluntary retirements.

Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any credit from an Officer, it thereby affects his half pay or pension, in cases where the same depend on seniority; and it carries with it the loss of the credit of the service included in the seniority for, in cases where the half or retired pay, pension or gratuity, depend upon actual service; but, though the time is forfeited, it is to be considered service in reference to compulsory removal from the Active List.

(a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or of high intemperance or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been sentenced by Court-Martial or not.

An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or Pension, or Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of Pension or Gratuity awarded shall not exceed the commuted value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

An Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

An Officer who has had long and good service, and who is not entitled under ordinary Regulations for Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be granted such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

An Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

Sub-Lieutenants and Assistant Paymasters, who are dismissed the Service by Court-Martial or placed on the Retired List under Clause (a), may be granted gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

Officers allowed to resign their commissions to be tried by Court-Martial may be granted such com-

passionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(g) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a), may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(A) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Subordinate Officers of all ranks.

23. The sentence of a Court Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also when the sentence of a Court Martial takes away any seniority from an Officer, it thereby affects his full, half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the full, half, and retired pay and gratuity depend upon actual service.

24. An Officer placed upon the retired list is in no case to be replaced on the Active List.

25. An Officer dismissed the Service by sentence of Court Martial for misconduct, or allowed to resign his commission to avoid trial by Court Martial, may, at the discretion of the Admiralty, be granted a compassionate allowance provided that such allowance shall in no case exceed one third of the amount of half pay to which the Officer was entitled at the time of removal, and provided also that such allowance shall not in any case exceed £100 per annum.

(Extract from Order in Council of 15th January, 1878.)

37. "Officers incapacitated by illness, &c., after only short service to be granted instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal Warrant, viz.:-

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half-pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age."

(Extract from Order in Council of 30th November, 1882.)

38.-(a) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half-pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

"Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause.

Except in the case of wounds or injuries received on duty, the officer must be of three years' seniority in the Royal Marines.

(b) An Officer, after remaining not less than one year on half-pay, if reported by the Medical Director General to be permanently unfit for further service, may be placed on the retired list, with retired pay according to the scale laid down at page 806, provided he has been upon full pay for a total period of five years in the case of an Officer whose disability has been incurred in and by the Service, and of 12 years in other cases.

(c) An Officer, who entered the Service before 1st April, 1870, shall be allowed a rate of retired pay not less than that which would have been granted to him under the Orders in Council of 22nd February, 1870, and 5th February, 1872; and an Officer who entered after 1st April, 1870, but before 1st July, 1881, may, at the discretion of the Admiralty be granted a retired allowance under the conditions contained in paragraphs 12 and 13 of the Order in Council of 15th January, 1878.

41. An Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay after the appointment falls short of 950*l.* a year, be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined exceed 950*l.* a year, a reduction is to be made of half or retired pay proportionate to such excess.

42. Lieutenant-Colonels and Colonels of Marines allowed to receive in retired pay together with a Good Service Pension a sum not exceeding 900*l.* a year, should the two together exceed that sum they shall be retired on 600*l.* a year, relinquishing the Good Service Pension.

49. To be retired at the age of 55, or if physically unfit for further service, and to be retired at an earlier age should it be deemed expedient.

50. A Warrant Officer is not to be granted an annuity for meritorious service and distinguished conduct, nor a medal or gratuity for long service and good conduct; but he may retain an annuity if he has been granted before promotion for distinguished meritorious conduct, or for conspicuous gallantry in action; and he may keep and wear his medal for service and good conduct. He may also receive special pension with the Victoria Cross.

51. Bandmasters with previous service in the Navy who have been transferred to the Royal Marines for service as Bandmasters in His Majesty's Fleet at the discretion of the Admiralty, be exempted from the operation of the general limits of age for promotion to Marine Warrant rank.

Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

B. 6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag

List, to be allowed pay at the rate of 35s. a day; but, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have been retained or may hereafter attain the rank of Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or will be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, shall be allowed more than the pay of 20s. a day on that rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those promoted on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, shall be allowed to retain their places on the Active List; but they should prefer it; but no Captain will be allowed for promotion to the Active Flag List after that age, or when physically unfit for service.

2. Officers promoted to the rank of Captain, after the date authorised by the Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served necessary time to qualify them for promotion to the Active Flag List, and who remain on the Active List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by rank to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their term, who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay than Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their term on the Active Flag Rank, and who have been unemployed ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, filling up only two of every three vacancies by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

1851.

I. The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served adrift on the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This list was abolished in May, 1863.*)

1856.

1. That the List of Captains on the Reserved List established by Order in Council of 25th of June, 1851, be

increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 100 at present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 400, to effect this subsequent reduction, one Officer only to be promoted in two vacancies till the List be reduced to its permanent number of 200, but thereafter one Officer will be promoted in each vacancy.

1860.

All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Rear-Admiral, and to receive Half-pay according to their length of Sea Service, on the same terms as herein-after mentioned.

Commanders on the Active List, who have been employed either adrift, in command of H.M. Vessels, in the Coast Guard, or as Mail or Transport, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay, according to their amount of Sea Service, also on the same scale as herein-after mentioned; such Officers permitted to assume the rank and title of Rear-Admiral on reaching the age of 69, without in addition to their Retired Pay.

Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July 1864.

28. Long Service and Good Conduct Medal.
29. Militia Long Service Medal.
30. Imperial Yeomanry Long Service Medal.
31. Volunteer Long Service Medal.
32. Naval Medal for Good Shooting.

The above order of Decorations applies to those of similar grades. When the miniature of a higher grade of a Junior Order is worn with the miniature of a lower grade of a senior Order the higher grade miniature should come first, e.g., the miniature of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Decorations.—In order of date.

c. Foreign Medals.—In order of date.

These orders are not worn in miniature. In Undress Uniform no Badge of an Order will be worn round the neck except the Order of Merit. Order of Merit comes immediately after G.C.B.; it is not worn in miniature, but is to be worn round the neck on all occasions.

Full Dress.

1. On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders, and Medals cannot on account of their number be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Length of bar, full dress.

2. With full dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of Decorations, Orders and Medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of Orders.

3. The Buckles of the Companions of the Orders of the Bath and of St. Michael and St. George, are, as part of the Badge of the Order, to show half way between the upper and lower edge of the ribbon.

Human Society's, and other like Medals.

14. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

15. In all cases the bar for the suspension of Decorations, Orders and Medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided that the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

16. The ribbons of Decorations, Orders and Medals are to be of the following lengths—

- a. When Decorations, etc., are worn:—

Full size	..	..	1 inch
Miniature	..	..	$\frac{1}{2}$ inch
- b. When the Ribbons alone are worn:—

Full size	..	..	$\frac{1}{2}$ inch
Miniature	..	..	$\frac{1}{4}$ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

17. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for Decorations, Orders and Medals. Knights Grand Cross and Knights Commanders will however add the ribbon of a Companion of the order, or orders, to which they belong under clauses 3 and 6. The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and when the space between the shoulder to the edge of the lapel is insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of $\frac{1}{4}$ inch intervening between each row.

Decorations, etc., with White Uniform.

18. When white undress is worn in lieu of the dress "Frock coat and epaulettes," the provisions of clauses 2 and 4 are to apply.

The ribbons, as ordered in clause 17, are to be worn on the same occasions on a removable bar.

Miniature Decorations, Badges and Medals.

19. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross and Knights Commanders will wear thereon, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong, omitting the Buckle in the case of the Orders of the Bath and of St. Michael and St. George.

The precedence of the various Orders of Knighthood concerned is as shown in Clause 10 for the Companions of those Orders.

20. If necessary the bar should extend over the lapel of the coat.

Decorations, etc., may be worn with plain dress.

21. Stars of the Orders, and miniature Decorations, Badges of Orders, and Medals, are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroy, and of Governors-General, and on public and official occasions.

Retired Officers.

22. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

Admiralty,

March, 1907.

The following revised letterpress to the Instructions, relative to the Uniform to be worn by the Petty Officers, Men, and Boys of the Royal Navy, is to be substituted for those promulgated in November, 1904.

By command of their Lordships,

EVAN MACGREGOR.

UNIFORM REGULATIONS FOR CHIEF PETTY OFFICERS, PETTY OFFICERS, MEN AND BOYS OF THE FLEET, AND FOR BOYS IN THE TRAINING ESTABLISHMENTS.

UNIFORM.

The Officers, Men, and Boys of His Majesty's Fleet, and in the Royal Marines, shall wear such Uniform as the Admiralty shall, in pursuance of His Majesty's pleasure, from time to time direct. (Art. 4 and 155 of the King's Regulations and Admiralty Instructions, 1906).

Patterns of Uniform.

The Patterns of Uniform as shown in these Regulations are to be strictly adhered to, and no deviations whatever allowed.

Material for Clothing.

The only material for clothing, &c., recognised for wear by the men is that supplied through the Victualling yards.

None of an inferior quality to it, or deviating from it in the least degree either as regards pattern or colour, is to be worn, and is not to count as part of a man's kit should he provide himself with such. This applies equally to all made-up articles of clothing i.e., hats, jerseys, boots, &c.

Marking of Clothes.

The clothes of all ratings are to be marked. The clothes of men dressed as Seamen are to be marked as follows, with a $\frac{3}{4}$ -inch type, block letters:—

- Blue clothes—with white paint.
- White clothes and bedding—with black paint.
- Jerseys and comforters—with red worsted.
- Overcoats and jackets—in upper part of sleeve.
- Trousers, drawers, and cholera belts—on the inside of the waistband at the back.
- Jumpers (except working jumpers)—under the collar.
- Working jumpers—on the back close up to the collar.
- Canvas overall jacket—on the back close up to the collar, on the inside.

Flannels and check shirts—on the tail.

Hats and caps—in crown.

Cap covers—on the band inside.

Towels, handkerchiefs—diagonally across the corner.

Boots and shoes—inside the upper.

Jerseys—on the inside of the bottom tabling.

NOTE.—The marking of clothes of Class I. and Class III. is to conform as far as possible with that laid down for Class II.

Marking of Bedding.

The Bedding of all ratings is to be marked as follows with $\frac{1}{2}$ -inch type, block letters:—

Beds—on the foot, the name facing the foot.

Blankets—at the head, the name facing the foot.

Bed covers—at the sewn-up end facing the open end on top.

Marking of Cap Boxes and Ditty Boxes.

Cap box—The name is to be stamped on a brass plate $\frac{3}{4}$ -inch wide, which is to be rivetted to the outside of the box in the centre of the lid.

Ditty box—The name is to be stamped on a brass plate $\frac{3}{4}$ -inch wide, which is to be screwed to the box immediately under the keyhole.

Inspection of Clothing and Bedding

At musters and inspections of clothing and bedding it is to be laid out in the manner shown in sketches, copies of which are to be posted on the mess deck for general information and guidance.

NOTE.—The following articles are those which are to be considered strictly uniform within the meaning of Art. 764 of the King's Regulations and Admiralty Instructions, 1906, viz.:—

- Overcoat.
- Jumpers, duck with collar, and bound.
- Blue jean collars.
- Blue cloth caps.
- White duck caps.

NOTES TO DRESS REGULATIONS FOR SHIPS' COMPANIES.

1. By *collars* is to be understood the detached blue jean collar.

2. *Neck-handkerchiefs* are always to be worn except by men employed coaling or re-fitting. They are to be tied behind the collar, the bight in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a bight of it about 3 inches long; the handkerchief should thus be firmly secured to the jumper.

3. *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

4. *Caps*, which are always to be worn, except as shown in paragraph 5, are to be square on the head.

5. *Hats* are to be worn: (a) During the summer season, weather permitting, with blue clothing; on occasions of ceremony; and on Sundays on board ship or in barracks, as ordered by the Senior Officer present. (b) Always with No. 6 Dress. (c) At any time as a protection from the sun, if ordered by the Senior Officer present.

Hats are not to be worn at sea, unless specially ordered as a protection against the sun.

6. *White caps or cap covers* are to be worn when any white clothing is worn. They are also to be worn with blue clothing.

(a) At Home. From 1st May to 30th September inclusive;

(b) Abroad. At the discretion of the Senior Naval Officer present.

7. *Ribbons* on hats and caps are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be 3 and 4 inches long respectively, the shorter end being in front.

8. *Jerseys* are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [*In England, when once commenced, jerseys should be continued to be worn until about the beginning of April.*]

[*Note.*—The best way of restoring the shape of the jersey is by thorough washing.

9. *Comforters* are only to be worn during exceptionally cold and raw weather, and during night watches (under these circumstances blue worsted gloves or mitts may be worn); during the daytime they are only to be worn when specially ordered, or by individuals, temporarily, on the Medical Officers recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, and the end stuck inside the jumper and trousers.

10. *Overcoats* may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

Coastguard men may wear loose flushing jackets instead of overcoats.

11. All *jumpers* are to be cut down 10 inches from the collar, the strings being 9 inches below the collar.

The junction of the sleeve with the body is to be at the point of the shoulder.

12. *Boots or shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board at the Captain's discretion.

13. *Cycling Dress.*—Men cycling on duty are to wear the Service Brown gaiter (to be supplied to them on loan).

14. *Mourning.*—If men are for private reasons desirous of wearing mourning, they are to be allowed to wear a band of black crape, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

On public occasions the men are not to be required to wear mourning.

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

Spare crowns are also to be kept separately, so that in case of a man being promoted "Instructor, &c.," the badge already in his possession can easily be altered.

The single gun, torpedo, or rifle, when worn, is to point away from the body.

The following is a descriptive list of badges denoting special qualifications or duties, viz.:—

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL

The Beaufort Testimonial, which was founded in 1860 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of some instrument or work of a kind to be practically useful to a Naval Officer.

It is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, gains the highest aggregate marks in the combined totals of Part I. and Part II. in Group A. during the year.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE WHARTON TESTIMONIAL

The Wharton Testimonial was founded in 1907, to commemorate the service of Rear-Admiral Sir William J.L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1824 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and The Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l*. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet, or Staff Surgeons, or Surgeons) who shall produce the most approved journals of their practice "in the form in which they have been kept from day to day" while in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the Chadwick Naval or Military Prize, to such Officer of the Naval or Military Medical Services as shall, during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. The interest of this sum is employed annually in providing a Prize, consisting of books, scientific instruments, &c., which is conferred on the Engineer Student who, on the completion of his training, obtains in the examination for the rank of Lieutenant in the Royal Navy the highest total number of marks in the subjects of Engineering, Practical workmanship, knowledge of engine room duties, ability, and conduct at work during the period of training.

SHADWELL TESTIMONIAL PRIZE

The Shadwell Testimonial Prize, founded in memory of the late Admiral Sir Charles F.A. Shadwell, K.C.B., who died 1st March 1876, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as the Admiralty may admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer who, not higher than Lieutenant, and who has been recommended by his Captain as the most creditable plan of anchorage, or other marine survey, accompanied by sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of the plans, a junior officer, who has assisted materially in the construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE

The Ryder Memorial Fund—founded in memory of the late Admiral of the Fleet, Sir Alfred Ryder, K.C.B., who died on the 30th April, 1861, consists of a sum of about 160*l*, invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a box of books, to be awarded to the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination in French at the Royal Naval College.

THE COMMANDER EGERTON PRIZE

This prize was founded in 1901 in memory of the late Commander Frederick Greville Egerton, R.N., who was mortally wounded on the 2nd November, 1899, in the defence of Ladysmith, whilst acting as the execution of his duty.

The dividends arising from a sum of £500 given by the relatives and invested in Government securities will be employed in providing the prize, to be called "The Commander Egerton Prize," which will be awarded annually, at the discretion of the Admiralty, to the officer who, when qualifying for the rank of Lieutenant, passes the best examination in practical Gunnery.

RONALD MEGAW MEMORIAL PRIZE

This Prize was founded in 1906 in memory of the late man Ronald Megaw, who was killed accidentally on 11th November, 1904, while at General Quarters on board H.M.S. "Montagu."

The interest on a sum of £1,000, given by the family and held upon trust by the Admiralty, is employed in providing a prize, consisting of a Presentation Box, and its accoutrements, and selected books or instruments, to be awarded annually to the Sub-Lieutenant who obtains the highest place during the preceding year in the various examinations prescribed for the rank of Lieutenant.

ENTRY AND EXAMINATION OF OFFICERS.

REGULATIONS FOR ENTRY OF NAVAL CADETS.

1. All Naval Cadets enter the Service under identical conditions, and are trained together until they pass for the rank of Lieutenant.

2. After passing for the rank of Lieutenant, they may be appointed to serve either as general service Officers or in one of the special branches, undertaking either engineering, Gunnery, Torpedo, Navigation, or Marine duty.

3. As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, Parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of 25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty under paragraphs 15-18 of the "Regulations for Entry of Naval Cadets."

5. Candidates must be of pure European descent, and be sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

6. Every Candidate (except Candidates who are being educated in the Colonies and have received Colonial special recommendations under para. 7, cl. 3) will be required to present himself before a Committee, which will interview each applicant separately.

Appointments to Naval Cadet ships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Qualifying Literary Examination in educational subjects (vide par. 11), and a Medical Examination (vide par. 10).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interviewing Committee will sit shortly before the date fixed for each Qualifying Literary Examination.

7. Members of the Board of Admiralty (other than the First Lord) have the privilege of specially recommending one Candidate each time.

A Flag Officer or Commodore 1st Class appointed to the Chief Command of a Naval Station, or to a separate command, and a Captain, R.N., on receiving his first appointment to the command of a ship in commission with full crew, is allowed to recommend specially one Candidate, provided the privilege is exercised within six months of appointment and that the Candidate recommended is not less than twelve years of age at the time.

The Governments of certain Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Colonies.

All the specially recommended Candidates with the exception of Colonial Candidates actually residing out of the United Kingdom must be also recommended by the Interviewing Committee, and all such Candidates, without exception, must pass the Qualifying Educational Examination.

8. The Qualifying Examinations are held in March, July and December, and the appointments date from the 15th May, 15th September, 15th January, following, respectively.

9. Candidates are eligible only for one interview and Qualifying Examination.

Candidates for examination in—

10. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. This may be obtained on application.

11. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation, simple composition and reproduction of the gist of a short passage twice read aloud to the Candidates.)

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

† NOTE.—Copies of the papers set at one of the examinations held in each year are published by the Oxford and Cambridge Schools Examination Board, and may be obtained from the following:—Clarendon Press Depository, 118, High Street, Oxford; Henry Frowde, Amen Corner, London; Cambridge University Press Warehouse, Fetter Lane, London; Deighton, Bell and Co., Trinity Street, Cambridge.

(6) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

12. For all Cadets entered under these regulations the payment will be at the rate of £75 per annum for the period under training at the Colleges, to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered at each Examination, a limited number being sons of officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 1st April, and 1st September.

Parents or guardians are further required to make private allowance of £50 per annum to Cadets from the time they leave the Royal Naval College at Dartmouth until they reach the rank of Acting Sub-Lieutenant.

13. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian is charged with the cost of outfit and personal expenses incurred by the Cadet for washing, repairs, and clothes, pocket-money, instruments, school books, sports, &c.

14. The period of training is four years and six months (i.e., two years at the Royal Naval College, Osborne, two years at the Royal Naval College, Dartmouth, and two terms in the Training Cruiser). The three terms of each year are approximately as follows: 15th January to 15th April; 7th May to 7th August; 15th September to 15th December.

The vacations are four weeks at Christmas, two weeks at Easter, and six weeks at Midsummer.

15. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of every Cadet is required to declare, on the admission of the Cadet, that he declares that he shall be immediately withdrawn on the receipt of an official request for his withdrawal.

The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet from the Royal Naval College, if after a sufficient trial he is in their opinion, for any reason, unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year, but the proficiency and progress of the Cadets will be periodically determined, and they will be required, if necessary, to withdraw at a later date.

16. In all subjects of instruction the principle to be followed of giving merit marks for current work. At the end of each term the Cadet's progress and progress is determined, partly by examination and partly by the marks gained for current work.

17. Cadets who fail to reach a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show aptitude for Naval life, as well as to those whose insufficient progress, or whose constitution is so weak, that no disease may have developed.

18. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations.

20. No pay is allowed by Government to Cadets at the training establishments. The pocket-money of the Cadets is charged to the parents.

By Command of their Lordships.

Admiralty, March, 1906.

C. I. T. 10

NAVAL CADETS (NEW SYSTEM).

REGULATIONS RESPECTING CADETS WHILE AT THE ROYAL NAVAL COLLEGES AT OSBORNE AND DARTMOUTH AND ON BOARD THE TRAINING CRUISERS.

(For the information of Parents and Guardians.)

ADMIRALTY, 23rd November, 1907.

1. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years, of which two years will be at Osborne and the remainder at Dartmouth; there will be three terms in each year. On passing out of the College at Dartmouth they will continue their training for two terms on board a Special Training Cruiser.

Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

2. The terms are from about the following dates:—

15th January to 15th April,

7th May to 7th August,

15th September to 15th December

and the Vacations are

four weeks at Christmas,

three weeks at Easter, and

six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations.

4. The following payment is required from the Parents or Guardians of each Cadet while in the Training Establishments as a contribution towards the cost of his education:—

At the commencement of each term £25, except in the case of those received at the reduced rate of £40 a year, whose payments will be £13 6s. 8d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted.

This payment will cease on the Cadet joining the Training Cruiser. Parents or Guardians will then be required to make the Cadet a private allowance of £5 a year until he reaches the rank of Acting Sub-Lieutenant.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

6. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

7. Inasmuch the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

8. Any valuable Gold Watches or Chains brought by Cadets will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page must be complete. A list of the clothes left behind will be sent with Cadets when they go on leave.

10. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

11. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed on his return will entail his not being received.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

12. All letters relative to the Cadets should be addressed as follows:—“The Commanding Officer, Royal Naval College,” or “The Commanding Officer, H.M.S. _____,” and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence communicate the same to the Admiralty and to the Commanding Officer of the College or the Cruiser without delay.

13. The course of study includes the following subjects:—

Mathematics with Geometrical Drawing.

Physics and Chemistry.

Mechanics and applied Mechanics, with laboratory work.

Applied Electricity, with laboratory work.

Engineering, with workshop practice and Mechanical Drawing.

Seamanship with Gunnery in the Training Cruiser Navigation.

French, with German later.

English grammar and Composition.

English Literature.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshop and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

14. In addition to the lessons which the Cadet receive in the Instructional Steamboats, they are, while in their first term at Osborne, sent out for a period of about a week in a Cruiser in order that they may acquire an early familiarity with the actual working conditions of sea life.

15. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination, and partly by the marks gained for current work.

18. (a) The passing-out examination of Cadets consists of two parts: Part I. is taken at the conclusion of the College course and Part II. after the Cruiser training.

(b) Part I. is representative of all the subjects studied at the College, with the exception of Bible study, which does not form part of the official examination, and of Seamanship, which is deferred to Part II. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

(c) In Part II. the subjects are arranged in two groups as follows:—

A. Navigation and Science;

B. Seamanship Gunnery and Engineering;
an equal aggregate of marks being assigned in each group.

(d) First, Second and Third Classes will be awarded in Part I. and in each group of Part II.

(e) The Class obtained in passing out counts afterwards towards promotion on passing for the rank of Lieutenant, promotion being accelerated according to the following scale:—

For a First Class in Part I. 2 months.

For a Second Class in Part I. 1 month.

For a First Class in either group of Part II. 1 month.

For a Second Class in either group of Part II. ½ month

The greatest amount of time that can be gained on passing out is accordingly four months.

(f) The order of merit on passing out is determined by the aggregate results of both parts.

17. Cadets who fail to attain a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

18. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

19. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the Parent or Guardian of every Cadet is required to sign a declaration on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal. The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet if, after a sufficient trial, he is, in their opinion, for any reason unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year; but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

20. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

21. Parents or Guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will

By Command of their Lordships,

C. I. THOMAS.

3. The Examination will be conducted, near the end of each Term, at the Royal Naval College, Osborne, and will include tests in practical knowledge of the use of tools and workshop processes as well as papers on the subjects dealt with in the Osborne curriculum. PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships must possess full normal vision as determined by Snellen's tests, each eye being separately examined. For Candidates for other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/6 with each eye, and the candidate must also be able to read D=0.6 of Snellen's test types.

5. Impaired hearing, or discharge from one or both ears, or any disease of the external middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate, or any many unsound teeth; unhealthy gums, disease of the glands of the throat or neck, external cicatrices, extensive, and especially if adherent.

8. Functional or organic disease of the heart or vessels, deformity or contraction of the chest, or symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incision of urine.

10. The existence of any defect of the extremities, or of varicocoele.

11. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause, a varicose state of the veins, especially of the legs, Bunions, distortion or malformation of the hands, fingers, or toes.

12. Distortion of the spine, of the bones of the pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will be required if considered necessary.

i.e.—Seven teeth defective or deficient in number under 17 years of age on the date of entry (ten or more deficient teeth in persons above the age of 17) being considered as defective when it cannot be permanently serviceable by dental repair. Credit is given for teeth which have not erupted, but must, however, possess some sound opposing teeth. The numbers given above are intended as a general guide, and are not necessarily strictly to be followed, provided the general condition of the teeth is good.

EXTRACT FROM THE REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, 15th February, 1907.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth. He must also produce a certificate of moral character, up to date, and a recommendation signed by a Clergyman or Magistrate, to whom he has been for some years personally known, or by the President or Senior Professor of the College at which he was educated.

2. He must be registered, under the Medical Act in force, as qualified to practise Medicine and Surgery in Great Britain and Ireland.

3. He must declare:—

- (1) His age and date and place of birth.
- (2) That he is of pure European descent* and the son either of natural born British subjects, or of parents naturalised in the United Kingdom
- (3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.
- (4) That he is ready to engage for general service at home or abroad, as required.
- (5) Whether he holds, or has held, any commission or appointment in the public services.
- (6) That he is registered under the Medical Act in force as duly qualified professionally, and what diplomas, &c., he holds.

4. He must be free from organic or other diseases, and his physical fitness will be determined by a Board of Medical Officers, who are to certify that his vision comes up to the required standard, which will be ascertained by the use of Snellen's Test Types.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

5. The certificates of registration, character, and birth must accompany the declaration, which is filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, 18, Victoria Street, S.W.

6. The examination will consist of two parts as follows:—

- I. Compulsory subjects.
- II. Voluntary subjects.

The admission of candidates will be determined by the number of marks gained in the compulsory subjects. Successful candidates who qualify in voluntary subjects will have the marks so obtained added to those gained in the compulsory subjects, and the position on the list will be determined by the total marks for both compulsory and voluntary subjects.

Candidates will be examined by the Examining Board in the following compulsory subjects, and the highest number of marks attainable will be distributed as follows:—

- | | |
|--|-----|
| (a) Medicine, materia medica, therapeutics and general hygiene | 120 |
| (b) Surgery and surgical anatomy | 120 |

The examination in Medicine and Surgery will be part practical and will include, beyond paper tests, examination of patients, the examination of pathological specimens, a knowledge of bacteriology, the performance of operations on the dead body, and the application of surgical apparatus. The attention of Candidates is especially drawn to the importance of the subject of Operative Surgery, as a competent knowledge in this subject is essential in order to qualify for a Commission.

No Candidate shall be considered eligible who has not have obtained at least one-third of the marks in each of the above compulsory subjects.

7. Candidates may be examined in the following voluntary subjects, for which the maximum number of marks obtainable will be:—

Natural Sciences:—Chemistry (300); Physiology (300); Zoology (300); Botany (300); Geology and Physical Geography (300)

No Candidate will be allowed to present himself for examination in more than two of these subjects.

French and German (300 each)

A number less than one-third of the marks obtainable in each of these voluntary subjects will be allowed to count in favour of the Candidate who is qualified in the compulsory subjects.

The knowledge of modern languages being considered of great importance, all intending candidates are urged to qualify in French and German.

N.B.—The examination in Chemistry will include general principles of inorganic and organic chemistry, the preparation and properties of the chief non-metallic and metallic elements and their compounds, the separation, properties and classification of the important compounds such as marsh gas, acetylene, methyl and ethyl alcohols, glycerine, formic, acetic, lactic, and oxalic acids; cyanides; carbohydrates; fats; proteids.

The examination in Physiology will comprise the minute structure and functions of the various tissues and organs of the body; the physiology of the blood; the nature of food and the processes of its digestion; the mechanics of the circulation and of respiration; the physiology of nutrition, secretion and excretion; animal magnetism; the nature of sensation, volition, reflex action, inhibition and influence of the nervous system on other organs and their functions.

The examination in Zoology will include the general principles of biology and a comparison of animals with plants; the distinctive characters of the larger groups of animals—the protozoa, coelenterata, vermes, arthropoda, mollusca, echinodermata, and vertebrata—as illustrated by common types; the elements of embryology; animal parasites.

The examination in Botany will comprise the general principles of the morphology and physiology of low forms of life, e.g., torula, bacteria, spirogyra, moss fern; the general morphology of flowering plants; diagnosis of the important British natural orders; medicinal plants.

The examination in Geography and Physical Geography will be limited to general principles, such as the relations of the earth to the rest of the solar system; the structure of the earth's crust and the chief kinds of rocks, general configuration of land and water, mountains, plains, islands, rivers, lakes, glaciers and icebergs, ocean currents, tides, winds, storms, dew, rain, climate, volcanoes, earthquakes, distribution of animal and vegetable life.

3. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty will have power to admit annually.—

(a.) Two Candidates—proposed by the governing bodies of Schools of Medicine in the United Kingdom—who have satisfactorily filled the Office of House Surgeon in a large Civil Hospital for at least six months.

(b.) Not more than six Candidates, according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy, and are to be certified by the governing body proposing them as duly qualified according to the regulations in force for the entry of Candidates.

In cases of Colonial nominations, registration of professional qualifications, as required by Clause 2 of these regulations, may be deferred until after the arrival in England of a Candidate who has been passed on the examination, but a commission as Surgeon will not be granted until the Certificate of the Registrar of the Medical Council has been produced at the Medical Department of the Navy.

Candidates from schools at home will be required to pass a physical examination in London, which will be arranged for by the Medical Director-General.

Colonial Candidates will have to pass a physical and test examination before a Board of Naval Medical Officers on the station.

9. Successful Candidates, immediately after passing the examination, will receive commissions as Surgeons in the Royal Navy, and will undergo a course of practical instruction in Naval Hygiene, &c., at Haslar Hospital.

Three prizes of the approximate value of 10*l* each will be awarded at the close of each session at Haslar to the students who have shown the greatest proficiency.

10. A fee of 1*l* will have to be paid by each Candidate to entitle him to take part in the competition.

11. Surgeons on entry are only required to provide themselves with a pocket case of instruments, a stethoscope and three clinical thermometers. All other instruments are provided at the public expense.

12. Every Medical Officer will be required to undergo a post graduate course of three months' duration at a Metropolitan Hospital once in every eight years (should the exigencies of the Service permit), and this as far as possible during his surgeon's, staff surgeon's, and fleet surgeon's period of service. While carrying out this course the Medical Officer will be borne on ship's books for full pay, and will be granted lodging and provision allowances. The repayment of travelling expenses to and from his home or Port will be governed by the King's Regulations. The fees for each course (not exceeding £25) will be paid by the Admiralty on the production of the necessary vouchers at the end of the course. Promotion.

* * * * *

The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and those at the conclusion of the Haslar course, and their names will then be placed in the Official Navy List, except in the case of Candidates who hold, or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital. These Candi-

dates will retain the position in the list which they obtained on entry and when their period of service as Resident Officer is over they will join the next Haslar Course and will be required to obtain qualifying marks. Surgeons entered without competition* will take seniority next after the last surgeon entered at the same time by competition.

* See Clause 8 of the Regulations for Entry.

The examination for promotion to the rank of Staff Surgeon will be held by the Examining Board, to which a Naval Medical Officer will be attached to conduct the examination in Naval Hygiene. The subjects of examination will be in writing, and will include:—

Earlier promotion to the rank of Staff-Surgeon may be granted to those Surgeons who, before entry, have held the post of House Surgeon to a civil hospital of not less than 100 beds for a period of not less than six months, provided their conduct and professional abilities have been favourably reported on during the time they have served in the Navy. They may be granted from six months to one year's seniority, according to the time they have held their civil appointments as House Surgeon, but in no case will more than one year's seniority be granted.

This only applies to officers who enter by competition.

A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment will also be decided by the Medical Director-General.

The special attention of Candidates is directed to the rules under which Officers are allowed to withdraw from the Service with a gratuity of £500 after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers (see below).

The remaining paragraphs refer to the pay, retirement, &c., of officers, information respecting which is to be found in the Navy List, under the Tables of Full and Half Pay, and under the rules for retirement, &c., of officers. 7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Boy Artificers, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st February in each year, and care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 15th April following (or, if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

SELECTION OF A TRADE.

21. Boy Artificers will be permitted to select, subject to the requirements of His Majesty's Service, which of the four trades of Fitter, Boilermaker, Engine Smith, or Coppersmith they will follow. The selection will be made among the Boy Artificers at each Port independently, and not from the combined list. Opportunities will, however, be afforded them of obtaining an insight into the trades they do not select and also of making working sketches, so as to fit them to carry out all the duties of an Engine Room Artificer in His Majesty's Navy.

EDUCATION AND TRAINING.

22. The duration of the Training will be about 2 years. During this period the boys under training will receive general and technical education, in addition to workshop training. Boy Artificers who fail to make satisfactory progress or are guilty of persistent misconduct may be discharged at any time.

26. On completion of this year, but not before reaching the age of 21, they may be rated Acting Engine Room Artificers 4th Class, if recommended by an Engineer Officer and approved by the Captain of the Ship, after which they will follow on the next Engine Room Artificers of the Royal Navy, as down in the King's Regulations.

On being rated:—

Engine Room Artificer, 5th Class

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

Widows of Officers of the Royal Navy, and the Marines, may be allowed Pensions, and their Compassionate Allowances, at the rates fixed in the table given before, and subject to the following regulations:

All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board. The Pensions of all Widows shall commence from the day following that on which their Husbands died, and application be made by the Widow within Twelve Months from the same, otherwise from the day of such application.

His Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

The Pensions authorized by these Regulations shall be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons serving the Public Bounty:—the *ordinary* Pension shall not be granted to Widows whose private incomes exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed Pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1832.

A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

1. If her husband married after the age of 60 years, except Commissioned Warrant Officers, and Warrant Officers pensioned before 1st October 1875, in whose case the limit of age is 50.

2. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned; his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-pay, or on the Retired List, on account of misconduct.

3. If her husband had been guilty of any fraudulent application of the public money.

4. If her husband had been guilty of Bigamy; or if he had been living at the time of her husband's death in a disreputable state of separation.

5. If her husband died in the service of a Foreign Power, unless serving with the permission of the Admiralty.

6. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, or if the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced showing that the marriage did not take place under circumstances which would imply that there was

any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(a) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active List, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenants and Carpenter Lieutenants promoted to that rank from Commissioned Warrant Officers or Warrant Officers

907 COMPASSIONATE ALLOWANCES TO CHILDREN, &c

The Widow of a Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 2 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 2 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty and subscribed by the parties themselves in the presence of a Magistrate, according to the form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Retired List are only eligible for the Pension applicable to the rank and seniority of their husbands, the date when they were last on the Active List, in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List, who were Retired or Married before the 10th November 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Warrant Officers retired after 1st April 1896, with the substantive honorary or relative rank of Lieutenant, or Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who stand on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they had reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*
(a) *Officers retired before 29 June 1882.*
The General Rules for the grant of Pensions to Widows of Naval Officers are applicable to the Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years' service shall be allowed to reckon as two years' commission towards such qualifying period; and, under this rule the time is still insufficient, the Admiralty, at their discretion, award a Pension on standing, provided the actual service in the ranks amounts to the period required in the case of Naval Officers.

The Widows of Marine Officers who held an Honorary Rank on the Active List shall be entitled to the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank, or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) *Officers retired after 29 June 1882.*
The Widows of Marine Officers retired after 29 June 1882, will be pensioned under the rules relating to the award of Pensions to Widows of Officers on Majesty's Army.

17. *Widows and Children of Officers killed in action.*
Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers who were killed in action, or who died in the King's service, in the course of fighting with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by sea, or in quelling disturbances on shore or afloat, or in the dying of their wounds within two years of the date of their death, considered as persons slain, viz. —

i. To a Widow, a Gratuity equal to a year's pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be more than the age of twenty-one at the time of the death), one-third of the Gratuity to the Widow; and posthumous children shall be considered as

COMPASSIONATE ALLOWANCES TO CHILDREN, &c. 908

the calculation of these Gratuities, the Officer's Band Money and other Full-Pay Allowances, exceptable Money, shall be included.

In the case of an Officer killed in action, or dying wounds received in action within two years, or leaving a Widow, but leaving a Daughter or others only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special instances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the death, or the last survivor of them, in case there is more than one, may become disqualified by marriage or otherwise.

Children of Officers.—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow entitled to be placed on the Pension List; provided it is shown that the Children have no other Allowance, or, on Provision from the Government (except in the case of Boys under the age of eighteen who are serving as Subordinate Officers in the Navy), in view of their pecuniary circumstances, and those of the family, are so limited that they actually require assistance from the Compassionate Fund.

When a Medical Officer retires, or withdraws on duty, his children will have no claim to compassionate allowance.

The Allowances granted to the Sons of Officers are continued until they attain the Age of Eighteen, or otherwise previously provided for; and those to Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first occur, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when they were rendered incapable of making adequate provision for their own support through infirmity, or from a period before the father's death, before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

Children who are being educated at the expense of a Hospital may be granted the minimum Compassionate Allowances applicable to their Father's provided real poverty is proved to exist.

Persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose claims have been refused Pensions on account of their income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. **Mothers.**—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within two years after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. **Sisters.**—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 300*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals.

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of £950 a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant are eligible for the Good Service Pensions for General Officers.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension

A Captain will be allowed to receive an addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in cases of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the minimum will be at the rate of 1*l.* for each year's service in excess of 20 years. In all other cases, the retired pay of a Captain will be the same as the retired pay of a General Officer.

Colonels and Lieutenant-Colonels, Royal Marines, retired from those ranks shall be allowed to receive, in retired pay, together with Good Service Pension, a sum not exceeding £600 a year; but, should the sum together exceed that sum, they will be required to relinquish their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be General Officers on the Active List.

Flag Officers and Captains are allowed to retain their Good Service Pensions, notwithstanding their appointment to Full Pay or Civil Salary.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to, a Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended as he receives such Civil Pension, and shall thus occasioned may be filled up; but, should the Civil Pension be more than one such suspension, the Good Service Pension shall be in existence at the same time.

A Naval Aide-de-Camp to His Majesty shall not be entitled to a Pension, unless he be a Pensioner for wounds or injuries received in the Service.

An Admiral of the Fleet on the Active List shall be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet, or to the Retired List under the provisions of the Naval Act of 1870, shall in consideration of the rank and the increase of Retired Pay, be allowed to retain his Good Service Pension, or if not in possession of it, be eligible for it.

NAVAL AND GREENWICH HOSPITAL PENSIONS(OFFICERS)

At the Court at Windsor,

The 5th day of July, 1885.

Present,

QUEEN'S most Excellent Majesty in Council.

BEAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 6th day of 1885, in the words following, viz.:-

Whereas, by Article 1,988 (2,127 of 1899 Regulations) of Your Majesty's Regulations for the Government of the Royal Navy, it is provided that "Naval and Greenwich Hospital Pensions be established for the purpose of affording some Relief to Retired Officers of long service, who are old, infirm, or wounded or disabled, provided they have served the following periods of Commissioned or Warranted Time afloat:"

And, Whereas doubts have arisen as to what titles an Officer to be considered as qualified for existing rules; We would humbly submit at Your Majesty will be pleased to sanction the provision of Article 1,988 quoted above, being cancelled, and the following provision substituted,

"Naval and Greenwich Hospital Pensions are established for the purpose of affording relief to Retired Officers: and are to be awarded to such Retired Officers as may be, in the opinion of the Admiralty, most deserving, provided they have served the following periods of Commissioned or Warranted Time afloat."

We would also submit that Your Majesty will be pleased to sanction the operation of this provision being made applicable to any Pensions We have already awarded."

Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary orders herein accordingly.

G. L. PERL.

the Court at Osborne House, Isle of Wight,

QUEEN'S most Excellent Majesty in Council.

BEAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 17th day of January, 1900, in the words following, viz.:-

Whereas Your Majesty has been pleased from time to time to approve by your Orders in Council, the grant of Naval and Greenwich Hospital Pensions to Naval and Marine Officers on the Retired and Commissioned Lists of Your Majesty's Fleet; and whereas we are of opinion that it is advisable, in consequence of the changes that have taken place in the numbers of Officers on the lists since the existing pensions were established, to re-arrange the number of pensions so as to equalise as far as possible the percentages of pensions allotted to the various ranks below that of Flag Officer, and whereas we are further of opinion that such re-arrangement should include:-

"(a) Alterations in the number and designation of pensions now authorised for certain ranks, and

"(b) Alterations in the amount of the pensions authorised for certain ranks, and

"(c) The provision of one pension for Warrant Officers of the Royal Marines.

(51.) Officers will render themselves liable to retirement removal from the List or forfeiture of Commission, as the case may be, on account of:—

1. Offences against the rules, discipline, or character of His Majesty's Service.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.
4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship flying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity. This restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.
5. Applications for permission to wear the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVI.—Crews of Hired Vessels.

- (50.) The Lords Commissioners of the Admiralty have power to grant temporary Acting Commissions and Acting Appointments in the Royal Naval Reserve to Officers who volunteer to serve in hired vessels in time of emergency or otherwise.

XVII.—Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March, 1904.

- (51.) Under the authority of the "Royal Naval Reserve Officers Act, 1883" (26 & 27 Vict. c. 69), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.
2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.
3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.
- (52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed, active, free from any physical defect of body, impaired of speech, defect of hearing, or serious defect of vision, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short-sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evening, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, after which they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. ships.

3. Any Acting Officer, who, after three years' service of instruction, may not be found fully suitable for promotion to hold a Commission, will not be continued in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be taken into consideration in arranging the dates of embarkation, but it is desirable that the first period of training in the Reserve should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object in view should be regarded as forming part of the training of the Assistant Paymaster.

2. It is to be understood that, whilst the maximum period of training has been fixed at a fortnight at a maximum at a month, each year, these Officers are to be discharged in time to enable them to keep their engagements with their employers. Railway passes will be given to them either to London or to any other distant place and the usual travelling expenses will be paid to them.

3. At the end of the course of training a report will be made as to the progress which they have made, and whether they display the qualities expected of Officers filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until called out in their rank, to attend the evening classes of instruction for about ten days in each year; and after called out they will be required to keep themselves efficient by attending classes of instruction or by further training in the Fleet, as may be practicable.

(56.) Assistant Paymasters, R.N.R., will not be called out but after, Assistant Paymasters of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve called out for service in emergency they will receive the sum of 50s. for equipment. Before embarking on training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for ceremonial purposes will be optional.

3. They are authorised to wear uniform when called out in H.M. Ships and on State occasions.

They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(c.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay as above.

(d.) No money allowance will be granted to Officers attending classes of instruction. Travelling expenses to and from the port of embarkation for training will be paid by the Admiralty.

Classes of instruction are held in the evening at the Admiralty, Whitehall.

(e.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Assistant Paymasters R.N.R., at the discretion of the Admiralty.

4. Assistant Paymasters, R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

ORDERS, MEDALS, &c.—RULES AND STATUTES

QUALIFICATIONS FOR THE ORDER OF THE BATH

Extract from Statute of 21st May, 1902.

It is ordained that the Military Division of the Third class, or Companions, shall not, except under special and temporary exigencies, exceed seven hundred and five; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in Our Army or Marines, or in Our Indian Military Forces, of or above the rank of Major, or a Commission in Our Navy, of or above the rank of Commander, or Fleet Engineer, or of or above the rank of Fleet Paymaster, or a Commission of equivalent or higher rank in the Medical Service of Our Army, Navy, or Indian Military Forces, or in the Departments of our Army or Indian Military Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the enemy, in the command of a ship of war of Our troops, or at the head of a Military Depart-

ment, or as having by some Active Service to his immediate conduct and direction, contributed to the success of any such action, provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Departmental Officers of Our Army or Indian Military Forces, Medical or Engineer Officers, or Paymasters of Our Navy, and instead thereof, We further declare, that no Departmental Officer of Our Army or Indian Military Forces, or Medical or Engineer Officer, or Paymaster of our Navy, shall be competent to be a member of the Military Division of the Second and Third Classes of the said Order unless he shall be to us that by his meritorious service is actually providing for the exigencies or wants of our Army, Navy, or Indian Military Forces, or in taking care of the sick or wounded Officers, Soldiers, and Seamen of Our Army and Navy, or of Our Indian Military Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

Under the Regulations dated August 1885 and June 1898, as modified by subsequent Orders.

1. No Subject of His Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained His Majesty's permission to that effect, signified by a Warrant under His Royal Sign-Manual.

2. "Unless the Foreign Decoration shall have been conferred in consequence of active and distinguished Service, either at Sea or in the Field, such permission will not be given to any Subject of His Majesty, except in the following cases, if recommended specially by the Secretary of State for Foreign Affairs:—

"(a) The Chief of a Complimentary Mission from His Majesty.

"(b) A Military or Naval Attaché on the termination of his Appointment.

"(c) Any person, not at the time in the Service of His Majesty, who has rendered valuable service to the Sovereign bestowing the order outside His Majesty's Dominions, or in an Embassy or Legation of that Sovereign in this country."

2a. When a Foreign Decoration is conferred upon a Naval or Military Attaché on the termination of his appointment, he shall only wear it when in the presence of the King, or other Members of the Royal Family, or of the Foreign Sovereign bestowing the Order, or where the recipient shall meet at any public function, in full uniform, an Officer of the Country to which the Decoration belongs.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of His Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, His Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the cases prescribed by the present Regulations, and after consulting the Naval or Military Services before the Secretary of State, to His Majesty's Principal Secretary of State for War Department, previously to taking His Majesty's pleasure thereupon, in order to ascertain whether there be any objection to His Majesty's pleasure being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the pleasure on any such application, and shall have obtained His Majesty's permission to that effect, whose favour it has been made to accept the Order, and wear the Insignia thereof, he shall refer the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may be enabled to issue the Warrant required by Clause 1 to be prepared under the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Order has been conferred.

7. The Warrant signifying His Majesty's pleasure, at the request and at the expense of the person who has obtained it, be registered in the Court of Arms.

8. Every such Warrant as aforesaid shall contain Clause providing that His Majesty's license and permission does not authorize the assumption of the appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realm.

When a British subject has received the Royal permission to accept a Foreign Order, he will at any time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent on the acceptance of the original Order, and common to every person upon whom such Order is conferred.

9. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by His Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for His Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British subject, having obtained His Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA B.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding individual gallant services either of Officers of the several grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in the Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all are equally in the boon and those who by their conduct have particularly signalled themselves remain distinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, We, Our Heirs and Successors, institute and create a new Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, maintain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those on whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a list thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Force.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore

commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty

Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for a Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who, in due manner confer the Decoration as if they were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant Officers, or Non-Commissioned Officers or Soldiers, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any offence and doth not after a reasonable time submit himself to be tried for the same, his name shall be with be erased from the registry of individuals to whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore and remove as may at any time have been expelled, but to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, the twenty-ninth of January, in the nineteenth year of Our reign and in the year of Our Lord's thousand eight hundred and fifty-six.

By Her Majesty's Command.

It is Our further will and pleasure that officers of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our warrant, as amended by this Our warrant.

MEDALS, ANNUITIES AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers, Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by a grant of an annuity (not exceeding £20) in the case of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such gratuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that in cases of the men recommended come strictly within the spirit of the Order in Council; and that the name of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman, or Marine who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

DISTINGUISHED SERVICE ORDER.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Firstly. It is ordained, that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly. It is ordained that the Order shall consist of the Sovereign, and of such members or Companions as We, Our Heirs or Successors, shall appoint.

Thirdly. It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fourthly. It is ordained that no person shall be eligible for this distinction who doth not actually hold, at the time of his nomination, a Commission in Our Navy, in Our Land Forces, or Marines, or Our Indian or Colonial Naval or Military Forces, or a Commission in one of the Departments of Our Navy or Army, the holder of which is entitled to Honorary or relative Navy or Army rank, nor shall any person be nominated unless his services shall have been marked by the especial mention of his name, by the Admiral or Senior Naval Officer Commanding a Squadron or detached Naval Force, or by the Commander-in-Chief of the Forces in the Field, in Despatches for meritorious or distinguished service in the Field, or before the enemy.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under Our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that the decoration of this Order shall be and shall be worn as is herein-after set forth.

Eighthly. It is ordained that an Officer shall be appointed to this Order, that is to say, a Secretary and Registrar.

Ninthly. It is ordained that the Secretary and Registrar of this Order shall be appointed by Us, Our Heirs and Successors, and shall have the custody of the archives of the Order. He shall attend to the Service of the Order, and shall execute such directions as he may receive from Our Principal Secretary of State for War.

Tenthly. It is ordained that this Order shall rank next to and immediately after Our Order of the Indian Empire, and that the Companions thereof shall in all places and assemblies whatsoever have place and precedence next to and immediately after the Companions of Our said Order of the Indian Empire, and shall rank among themselves according to the dates of their respective denominations,

Eleventhly. It is ordained that the Badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath and on a similar red ground, Our Imperial and Royal Cypher, V.R.I., shall be suspended from the left breast by a red riband edged blue, of one inch in width.

Twelfthly. It is ordained that the names of the persons upon whom We may be pleased to confer the decoration shall be published in the London Gazette, and the registry thereof kept in the office of Our Secretary of State for War.

Lastly. We reserve to Ourselves, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with the Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Heirs and Successors, in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the other Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come greeting.

Whereas Her late Majesty, Our Beloved Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her late Majesty's reign, did institute and create a new naval and military Order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was among other things, ordained that the said Order should rank next to, and immediately after, Our Order of the Indian Empire, and that the badge of the said Order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order should rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal Cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: First, that the Distinguished Service Order shall rank next to and immediately after, Our Royal Victorian Order, and that the Companions thereof shall, in all places and assemblies whatsoever, have place and precedence next to and immediately after the members of Our said Victorian Order, and shall rank among themselves according to the dates of their respective nominations. Secondly, that the badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel, enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath, and on a similar red ground, Our Imperial and Royal Cypher, E.R.I., shall be suspended from the left breast by a red riband edged blue, of one inch in width.

Given at Our Court at St. James's, this fourth day of July, in the second year of Our Heirs and Successors, in the year of Our Lord one thousand eight hundred and two.

Whereas Her late Majesty Queen Victoria, being anxious of distinguishing by some mark of Her Royal favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks or other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of sea, did, by Warrants under the Royal Sign Manual bearing date respectively the 7th March, 1886, the 12th April, 1887, and the 30th April, 1877, institute and create Himself, Her Heirs, and Successors, as a mark of Royal Approval of such heroic acts, new Decorations to be respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

And whereas since the institution of these Decorations the Warrants above mentioned, amending Warrants bearing date respectively the 13th September, 1881, the 24th March, 1891, and the 24th March, 1904, have been made under the Sign Manual, and it is Our Pleasure further to amend the Rules governing the award of Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the said Decorations, We are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

And every person to whom the Medal is given shall, before receiving the same, be so engaged into an engagement to return the same if his name be so erased as aforesaid under this regulation. We hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstances demanding such expulsion. Moreover, We shall at any time have power to order that any person who at any time have been expelled shall be restored to the enjoyment of the Decoration.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

37. Men holding any of the Ratings specified as eligible for these awards in Appendix XV.A., Part I., entered the Service prior to 1st January, 1885, to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the gratuity.

To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" on his Service Certificate, whenever he is required to record it, the letters M.R. (Medal Recommended), if he should consider him deserving thereof in his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except provided for in clauses 5 and 6 of this Article, and use 4 of Art. 738.

In order not entirely to exclude from the honour of a Medal a man who may have committed himself in early years of his service reckoning for Pension, and who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of a man who can show 15 years of continuous "Very Good" character, and who has been recommended as described in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done in any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous vice.

The Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated, and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8 To entitle a man to a Gratuity:—

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalidated, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20
First Class Petty Officers, having served as such for not less than 10 years	15
Second Class Petty Officers, having served as such for not less than seven years..	10
Leading Seamen, having served as such for not less than five years..	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8 and 15 to 22, of Article 738, are applicable to men who joined the Service before 1st January, 1885.

738. Men holding any of the Ratings specified as eligible for the Good Conduct Medal in Appendix XV. A. Part 1, who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

- He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension, except as provided for in Clause 4.
- He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.
- He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1, has been awarded 12 years continuous "Very Good" character as, under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 816 and 818, Clause 3.

4. Desertion and Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class at the earliest date possible.

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of 12. a year, which is not to be paid until he completes time for Pension. If invalidated before completing time for pension, he will be paid 12. for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be added—

	£	s.	d.
To Chief and 1st Class Petty Officer	2	0	0
„ 2nd Class Petty Officer	..	1	0
„ Leading Seaman	..	0	10
until the maximum is reached, which will be, for a—			
	£	s.	d.
Chief and 1st Class Petty Officer	..	15	0
2nd Class Petty Officer	..	10	0
Leading Seaman	..	7	10
Able Seaman	..	5	0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the man becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 52., will be awarded.

11. If a man is invalidated after having been awarded the Medal, and before completion of the time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of the Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if deceased upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to Gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service and are not at the time of re-engaging entitled to the maximum Gratuity, such further service will count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible for further service for a higher rate of Gratuity, will be paid the difference between the amount they have already received and such higher rate. But the total will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid a Gratuity on completing time for Pension, and whose Pension is not secured to him under Art. 1939A, Clause 3, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge.

17. In all these cases if the Captain should withhold the required recommendation for Medal Gratuity he will fully record in the Conduct Book the reason for so doing.

18. No service can reckon for Medal or Gratuity which does not reckon for Pension.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity; it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, imprisonment or misconduct on the part of a man will not be considered as breaking the continuity of his "Very Good" character, and his recommendations for Medal or Gratuity, provided that he rejoins within five years, or, if invalidated, as soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty as soon as the Men become eligible for them, in Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Commanders of the Coast Guard, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1189. Marines afloat or ashore below the rank of Warrant Officer, enlisted prior to 1st of January 1885, may be recommended for the Good Conduct Medal and Gratuity under the following rules. Marines who return to the Service within five years of being pensioned may be recommended for the Medal but not for the Gratuity.

2. To entitle a Marine to the Medal—

a. He must have served for ten years with continuous "Very Good" character, and must never previously have been awarded character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for Pension, provided the character for that year be not below "Good."

b. He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible.

3. After a Marine has been awarded seven years of such continuous "Very Good" character as will, under these Regulations, count towards the Medal, and should his character continue to be "Very Good," the Captain or the Commandant will add to the "Very Good" given on his Certificate, whenever he is required to record the Marine's character, the letters F.R. (Medal Recommended), should he consider him deserving thereof from his invariable very good Conduct and exemplary manner of performing his duties.

After 12 years of such "Very Good" character the Captain or Commandant will in like manner add the letters "G.R. (Gratuity Recommended)."

4. Desertion, fraudulent enlistment, reduction to the Second Class for conduct, imprisonment, when time and pay are forfeited, or the award of character less than "Good" during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 1190.

5. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider with reference to the grant of a Medal without Gratuity the case of any Marine who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-clause b and Clause 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action or otherwise; in such cases, however, a Gratuity will not be awarded.

7. A Warrant Officer may keep and wear the Medal or Long Service and Good Conduct granted to him before promotion.

8. To entitle a Marine to the Gratuity—

a. He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension provided the character for that year be not below "Good."

b. He must have been awarded the Medal and have never forfeited it;

c. He must have been recommended for the Gratuity on his Certificate for the three consecutive years immediately preceding his application;

d. He must have been continuously awarded a character above "Good" since he received the Medal.

e. He must have completed time for Long Service Pension (unless previously invalidated) and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Non-commissioned Officers in Class I., Art. 1194, who have served as Staff Sergeants, Sergeants, Acting Sergeants, and Lance-Sergeants of Royal Marines for not less than ten years.	20
Sergeants in Classes II., III., and IV., Art. 1194, who have served as such or as Acting Sergeant or Lance-Sergeant for not less than ten years.	15
Corporals and Bombardiers, who have served as such, or as Lance-Corporals, or Acting Corporals, or Acting Bombardiers for not less than seven years.	10
Gunners, Privates, Musicians, and Buglers	5

Gratuities will not be given to Marines who serve after being pensioned.

10. In cases where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as it may, in the opinion of the Admiralty, be proper to award him.

11. If a Marine die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6 to 12, 15, and 21 to 30 inclusive of Art. 1190, are applicable to Marines who join the Service before 1st January 1883.

1190. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under the age of 18 on 31st December 1884.

2. To entitle a Marine to a Medal —

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension, except as provided for in Clause 4.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards the Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Conduct Sheet or Certificate the recommendations provided for under Arts. 816 and 818.

4. Desertion and reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class at the earliest date possible.

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. A Marine to whom a Medal has been awarded may be deprived of it summarily, for misconduct, by Warrant under the hand of his Captain, subject to the previous approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and will carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

8. If a Non-commissioned Officer holding a Good Conduct Medal should be reduced for misconduct he is to be absolutely deprived of his Medal.

9. Desertion, reduction for misconduct, reduction to the Second Class for Conduct, imprisonment by the Civil Power subject to the provisions of Clause 26 or otherwise, or the award of a character inferior to "Very Good" after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in Clause 10; but if pensioned within 12 months of his deprivation and before regaining the Medal, the Man will be considered in regard to Pension as in possession of the Medal.

10. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

Should a Badge be taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

Should the Badge be not regained within 12 months from the date of deprivation, or should two or more Badges be taken away, and not one only, or should a Marine lose a second Badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly.

11. The Good Conduct Medal of a Marine which has been forfeited for misconduct under any of the foregoing clauses may be restored, with the sanction of the Admiralty, on the completion of his time for Pension, provided his character during the last five years of his service has been "Very Good."

12. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

13. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

14. From the date of the award or restoration of a Medal, a Marine provided his character is maintained, will commence earning a Gratuity at the rate of 11. a year, which is not to be paid until he completes his time for Pension, unless he is invalidated from the Service in the meantime, in which case he will be paid 11. for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each years' service in the following ranks, or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank, after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I.	2	0	0
Sergeant in Classes II., III., and IV.	1	0	0
Corporal and Bombardier	0	10	0
until the maximum is reached, which will be, for a—			
Non-commissioned Officer in Class I.	15	0	0
Sergeant in Classes II., III., and IV.	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Musician and Bugler	5	0	0

15. If it is desired that Marines who have received Medals should also be given Gratuities, separate calculation must be made for the latter, on the Man becoming eligible for the award.

16. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

17. If a Marine is deprived of his Medal, he loses all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, more than the lowest scale of Gratuity, viz. 11. a year, be awarded.

18. If a Marine is invalidated after having been awarded the Medal, and before completion of his time for Pension, he will be awarded the amount of Gratuity to which he may be then entitled by reason of his service.

19. If a Marine should die after the award of the Medal, any Gratuity to which he may be entitled, is to be paid to his widow, or next of kin if dependent upon him.

20. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

21. In Cases where Marines who have completed their time for Pension re-engage for a further period of service, are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the regulations.

22. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

23. In the case of a Marine who has been awarded a Good Conduct Gratuity on completing his time for Pension, any Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge.

24. Whenever the Captain sees fit to withhold the required recommendation, he will record the reasons in the Conduct Book, and a copy of this is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will forward the corresponding record at the Divisional Headquarters.

25. No service can reckon for Medal or Gratuity if does not also reckon for Pension.

26. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, but it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

27. A break in service caused by a Marine being invalidated will not be considered as breaking the continuity of his "Very Good" character, and recommendations for Medal or Gratuity, if that should be eligible for re-entry, hereafter, as soon as the state of his health will permit, completes the required service.

28. The service of a Marine who reverts to the ranks after serving in the Ship's Police or Sick Berth, or on probation, will not be considered as broken in continuity with reference to Medal and Gratuity Pension.

1. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as could be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years prior to entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of Article.

2. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, on Form S. 218 accompanied by their Service Certificates certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship and in the case of Marines on shore, by the Commandants on parade.

191. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in annuities not exceeding 20*l.* as rewards for distinguished or meritorious service amongst Sergeants

who have completed 21 years' service, to be granted either before or after discharge. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Deputy Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1192. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 160.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

REGULATIONS FOR OFFICERS ON RESERVED OR RE- TIRED LISTS WHEN CALLED OUT OR UNDER TRAINING. (O.-in-C., 8th March, 1895.)

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list.

2. All steps in rank given on or after retirement while conferring the title, uniform, and other advantages, of the higher rank, will not give the right of command amongst naval officers which is always to be governed by the date of commission in the rank held on the active list at the date of retirement.

3. Officers on the Reserved, Retired, or Pension Lists of the Navy, called out for service in time of war or emergency will count such service as the Lords Commissioners of the Admiralty may determine, according to the rules and usages governing all service under the Admiralty.

4. They will further count such service towards increase of the age at which they were placed on the retired list, but their employment will not give them a claim to have their retired pay assessed upon their age at the time of such employment.

5. They will, however, in no case rise to retired pay or pension exceeding the maximum rate of their rank.

6. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be dealt with as

regards promotion and honorary retired rank under the regulations which are in force at the time for Officers of the same class on the active list.

7. Retired Officers are to receive, while under Gunnery and Torpedo training, in lieu of their retired pay, the rate of full pay they would be entitled to when called out for active service during war or emergency, unless the retired pay exceeds the full pay, in which case they are to receive their retired pay; a reduction being made from the full pay of officers who have commuted their retired pay, equal to the amount of their retired pay, or to so much of it as would have been abated had they not commuted; such periods of training, however, not to reckon as time for increase of retired pay.

8. In the event of the death of an Officer re-employed under these regulations, from causes attributable to the service, pension and compassionate allowances will be granted to his widow and children on the special scale applicable to the rank held by the Officer at the time of his death, irrespectively of whether his marriage took place when on the active or retired list, always subject to the operation of the Commutation Acts of 1871 and 1882, under which a proportionate reduction must be made in the amounts of the pension or compassionate allowances awarded to a widow married or children born after the Officer has wholly or partially commuted his retired pay.—(O.-in-C., 10th August, 1903.)

7. A Reserve Officer who is recalled for service with the Corps will cease to draw his retired pay (if any) from the date of recall, and will receive instead:—

A. If no portion of retired pay has been commuted, either—

(1) the pay and allowances of an Officer of corresponding rank on Active List, or at his option—

(2) a consolidated salary not exceeding his retired pay by more than £150 per annum and inclusive of all allowances except those for—

The above rates of pay, subject to the deduction of any commuted retired pay.

C. If retired with a gratuity or accepted for the Reserve under Clause 3:—

A Reserve Officer recalled for service will serve for the full period of the emergency for which he is employed, unless a shorter period is specially approved by their Lordships, will be entitled on ceasing duty to a gratuity of £100. After the first 13 months of service an Officer will be entitled to a further gratuity of £50 for each year of service at home, and £100 for each year of service abroad, portions of a year being calculated at the same rate.

8. If the services of a Reserve Officer have been of a special character he will be eligible:—

(1) For a step of substantive or honorary rank on retirement; or

(2) For a step of Brevet rank for distinguished service.

9. An Officer of the Reserve who is recalled for service with the Corps will be granted an allowance of £100 in aid of outfit.

In all other circumstances, Commanders and Lieutenants of the Ships, as well as those of other Ships, shall rank only according to their proper seniority.

Officers in Command of His Majesty's Ships take rank and precedence of Officers placed under their Command on all occasions, whether on shore or afloat.

All Officers of the Military Branch are liable to be called upon to perform Navigating and Pilotage duties in His Majesty's Ships, but the additional duties of Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination for Pilotage.

Lieutenants and Sub-Lieutenants appointed for Navigating duties will be required to take upon themselves the ordinary duties of their Ships, such as keeping, acting as Divisional Officers, as in the case of Gunner Lieutenants, but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged to the discretion of the Captain.

Lieutenants promoted to that rank from the Navigating List will be required to perform Navigating duties until promoted to the rank of Commander, called upon to do so.

At Courts of Inquiry, Surveys, and other assemblies of Officers, the Officer who is vice-president of the office would, under these Regulations, take the senior command, is in all cases to preside, irrespective of the relative rank of the other members.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, as modified by Order in Council of 17th February 1886, see p. 951.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages (except command) attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following be now observed in the Colonies in regard to the precedence of Military and Naval Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on the subject. Governors of other Colonies shall be next after such Naval and Military Officers.
- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop or Chief Justice, their own relative rank being determined by the Regulations on the subject.
- c. The Officer in command of His Majesty's Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieutenant-Colonel, are to continue in the same rank, as has heretofore been the case, until the Solicitor-General.

Whilst, however, these rules will take effect in the place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence in a few Colonies is conferred upon certain Officers by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside, except by the issue of others having the same or equal authority.

1. Admirals						Generals.*
2. Vice-Admirals						Lieut.-Generals.*
3. Rear-Admirals						Major-Generals.*
4. Commodores, 1st and 2nd Class.						Brigadier-Generals.
5. Captains of 3 years' seniority						Colonels.
6. Captains under 4 years' seniority						Lieutenant-Colonels.
7. Captains under 3 years' seniority						Lieutenant-Colonels, but junior of that rank.
8. Commanders...						Majors.
9. Lieutenants of 8 years' seniority						Captains.
10. Lieutenants, under 8 years' seniority						Lieutenants.
11. Sub-Lieutenants.						

* The relative precedence is not affected by a General Officer happening to be the Lieutenant Governor of a fortress at home.
 † In all matters wherein the Army and Navy Administration are concerned Fleet Surgeons will rank with and as Brigade Surgeons.
 ‡ Take rank from date of appointment as Paymaster instead of from date of appointment as Staff Paymaster.
 § Officers who had attained eight and four years' seniority as Paymaster before 17th February 1886, will take rank from dates of attaining such seniority instead of from dates of Commission as Fleet and Staff Paymaster

PRIZE MONEY.

PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this day's date We were graciously pleased to annul, from and after the thirty-first day of October next, Our Royal Proclamation of the third day of August one thousand eight hundred and eighty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of prizes captured from the Enemy, of Captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage due to the Crews of our Ships and Vessels of War, and not otherwise specially apportioned by the terms of the respective Awards and Allowances, and consequence of certain Alterations in the Apportionment and Classification of the Shares being distributable, it is expedient that Provision should be made for the future Distribution of such net Proceeds of Salvage not otherwise specially apportioned, and other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, that We do hereby direct, That Ships or Vessels being taken of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of such net proceeds of prizes, rewards, allowances, wages, awards, and of all bounties and grants whatever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:

That the flag officer or officers shall have one-third part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by our ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save except as hereinafter provided and directed, that we say:—

When there is but one flag officer he shall have the whole one-third part; when two flag officers shall share together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-third part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-third part, and the remaining half shall be equally divided among the other flag officers: commodores of the first-class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any net money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the

award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-third part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes are or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the third part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer

whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

Every commodore of the second class shall share as captain.

And We hereby direct, that the captain appointed as chief of staff, captain, commander, lieutenant commanding, staff commander commanding, or any other officer duly commanding any ship or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag officer to share, one-tenth of the entire net proceeds, except that if the single capturing ship be a classed ship having a commander under the captain the commander shall take a portion of the one-tenth part according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, and staff commanders commanding, respectively. Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander commanding, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, or staff commander commanding, or other officer actually commanding, a vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; colonel of marines (artillery or light infantry) or of land forces serving as marines, doing duty with a battalion or force employed on shore for naval operations to share as captains; lieutenant-colonel of marines (artillery or light infantry) or of land forces serving as marines, employed on shore for naval operations, if in actual command of a battalion or force to share as captains, if second in command to share as commanders; major of marines (artillery or light infantry), or of land forces serving as marines employed on shore for naval operations, if in actual command of a battalion or force to share as commanders. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in eleven classes, so that each officer, man, and boy composing the rest of the complements of Our ships and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares or a share, according to his class, as set forth in the following scale:—

A PROCLAMATION.

WHEREAS by an Act passed in the fifty-ninth year of the Reign of His late Majesty King George the third Chapter 25 intituled "An Act to enable His Majesty to fix a rate and direct the disposal of Freight money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels" it is enacted that from and after the eighth day of April one thousand eight hundred and nineteen all freight money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty his heirs and successors of Gold Silver and Jewels or of any other article which may be by special order received on board the said Ships and Vessels and for which freight shall be payable shall be paid at such rate and distributed and applied for such purposes and divided to and amongst such persons in such proportions and after such manner as His Majesty His Heirs and Successors shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that purpose; and that no freight money or reward shall thereafter be demanded, paid, received, or detained by to or for the use or on

account of any person or persons for the Conveyance on board of any of the Ships and Vessels of His Majesty, His Heirs or Successors, of any Gold, Silver or Jewels, or any other article which may be by special order received on board the said Ship or Vessel, and for which freight shall be payable other than for the purposes, and by the person or persons in the proportion, at the rates, and in the manner to be paid and allowed by Proclamation or Proclamations; and that all bargains, contracts, covenants, and agreements made or entered into for the payment of any freight money, for or in the name or on the account of freight for the conveyance of gold, silver or jewels, or other articles as aforesaid, on board any of His Majesty's Ships or Vessels, at any rate for any other purpose, or by or to any other persons or in any other manner or proportions than as aforesaid shall be and the same are by the said declared to be utterly void.

And whereas by a Royal Proclamation made issued by His Royal Highness the then Prince of Wales in the name and on the behalf of His late Majesty King George the third dated the twelfth day of one thousand eight hundred and nineteen rates fixed at which freight should be paid for public and for private treasure respectively and in peace and for different voyages as in the said Royal Proclamation were specified.

And whereas by a Royal Proclamation by His Majesty King William the fourth dated the third day of April one thousand eight hundred and thirty one the rates of freight fixed by the said Royal Proclamation dated twelfth July one thousand eight hundred and nineteen were altered.

And whereas by a Royal Proclamation by His Majesty King William the fourth dated eighth one thousand eight hundred and thirty one the freight was fixed for the conveyance of gold, silver on board His Majesty's Packets.

And whereas by Our Order in Council dated March one thousand eight hundred and thirty one We were graciously pleased to authorise the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom in any special which might occur to fix a less sum for the conveyance of Specie and Jewels than is directed by the Royal Proclamations dated respectively twelfth July one thousand eight hundred and nineteen, third April one thousand eight hundred and thirty one, and eighth June one thousand eight hundred and thirty one.

And whereas We have thought fit by and with the advice of Our Privy Council to revoke and annul the aforesaid Royal Proclamations and Order in Council subject as hereinafter stated. Now therefore We hereby revoke and annul the said Royal Proclamations and Order in Council as from and after the thirtieth day of September one thousand eight hundred and eighty eight save and except as to treasure whether gold, silver, jewels, or other articles which may have been actually shipped before the first day of October one thousand eight hundred and eighty eight, and save and except further that the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last named date. And We do by this Royal Proclamation by and with the advice of Our Privy Council order and direct that on and after the first day of October one thousand eight hundred and eighty eight the rate at which freight shall be paid for the conveyance on board any of Our Ships or Vessels of treasure belonging to parties other than the Crown, whether gold, silver, jewels, or other articles which may by special order be received on board any of Our Ships or Vessels shall be as follows.

And We do hereby further order and direct that the whole amount of the said freight, when received, shall be divided into four parts, and subject to the proviso hereinafter mentioned, distributed as follows, to wit: to say: one fourth to the Flag Officer if any or more than one Officer is on the Station or in the Squadron to which the Ship receiving treasure on board may belong; two fourths to the Captain or Officer commanding such Ship or Vessel, who shall receive his receipt or sign the bill of lading for the treasure; and one fourth to Greenwich Hospital, for the use of that institution.

That when there shall be more than one Flag Officer on a Station, the said one fourth part shall be divided and distributed amongst the several Flag Officers on that Station, in the following proportions, viz.:-

If there be but two Flag Officers, the Chief shall have two third parts of the said one fourth, and the other shall have the remaining third part; but if the number of Flag Officers be more than two, the Chief shall have only one half, and the other half shall be equally divided amongst the junior Flag Officers; but there be no Flag Officer on the Station, or the Ship or Vessel be not under the orders of a Flag Officer, then that the Captain or Officer Commanding the Ship or Vessel shall have three fourths, and Greenwich Hospital one fourth.

Provided that such Flag Officer or Flag Officers shall not be entitled to claim his or their respective share or shares in such freight money, otherwise than on condition that he or they shall, before the gold, silver, jewels, treasure, or other articles as aforesaid shall be put on board such Ship or Vessel, have entered a receipt to be entered in a public order book on board the Ship of the Commander-in-Chief or the junior Flag Officer commanding on the Station or in the Squadron to which such vessel belongs or delivered to the Captain or Officer commanding such Ship or vessel, or in case of a Junior Flag Officer present from the Commander-in-Chief, unless such junior Flag Officer shall have delivered to the Commander-in-Chief to be entered in the said order book, an engagement in writing, in form or to the effect following:-

I, A.B., am desirous of partaking in the advantages, with the risks attendant thereon, arising out of the conveyance of treasure under a contract of affreightment in any of the ships or vessels in the squadron [or in the particular ship, as the case may be]. And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such ships or vessels respectively [or, ship or vessel, as the case may be], such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the share or interest in the said freight money to which I may be entitled.

And that such share or shares of the Flag Officer or Flag Officers as aforesaid, to which he or they shall not be entitled under the conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage which may happen to the gold, silver, jewels, or other articles so received for conveyance and which may have been made good or satisfied by the Captain or Officer commanding the ship exceeding the total freight money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in cases in which the said loss so made good or satisfied is not amount to the whole of the freight money, Greenwich Hospital shall be entitled only to its proportion of the balance of freight money over and above such loss or damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the rules of the service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to freight, be also considered as Flag Officers when in command of a Station.

That when the Captain or Commander, or his agent, shall have received the freight, he shall pay over to the Senior Flag Officer if any and to the Director of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur through his neglect or delay in receiving or paying the same; but if there be any question or difficulty as to the payment, he is to apprise the Senior Flag Officer if any and the Director of Greenwich Hospital respectively of the causes of such delay.

That the Captain or Officer commanding, on receiving any treasure on board any of Our Ships or Vessels, shall transmit to the senior Flag Officer when such Captain or Officer commanding shall be under a Flag Officer, and in every case to the Director of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure, and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro rata itineris, among the Flag Officers, and Captains who may be entitled to share therein, according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution, any party interested therein may refer the same to the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom and the decision or Orders of the said Commissioners or any two of them, as to such division or distribution, shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid received on board flag ships, or any other of Our ships and vessels, and to prevent any private agreements inconsistent with these regulations, all Flag or other Officers are expressly forbidden to receive on board any of Our ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition as to freight or the payment or distribution thereof different from these regulations, or to take, demand or receive any sums other than those established by these regulations. Any question, as to freight, loss, damage, or any share thereof, which may arise between any Officers, or between any Officer or Officers, and the Directors of Greenwich Hospital, and upon which they do not agree, shall be submitted to, and decided by, the said Commissioners or any two of them, and their determination shall be final and conclusive upon all persons interested.

That these rules and regulations shall be in force on and after the first day of October aforesaid and shall be thenceforth taken and understood to be the established rule and custom of Our Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at Our Court at Osborne House, Isle of Wight, this tenth day of August, in the year of Our Lord One thousand eight hundred and eighty eight and in the fifty second year of Our reign

GOD SAVE THE QUEEN

NOTE.—Under former Proclamations the liability of the Commanding Officer in the event of any loss of the treasure was restricted to three fourths of the amount thereof corresponding to the amount of freight received by him and the Flag. If it be desired to preserve this limitation, which however will be matter of bargain with the Shippers of the treasure, the following words should be added to the usual form of Bill of Lading:—

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.
